OPPOSED TO PERSONALITIES

Gossip of the Local Baseball Tossers Here.

The Punahou play the H. A. Cs and the Elks meet the Mailes on Saturday. It is too bad that President Isenberg has to send policemen in the stand to stop certain obnoxious persons from abusing players.

"This hurling of personal remarks at players must be stopped," said Isenberg. "We will not stand for such rowdy tactics, and when the management learns just who the offenders are we will refuse them admission."

Chinese boys, who are playing in the league, come in for more than their share of the hooting. There are no cleaner ball players on the field than En Sue, Kim Fook and En Gee, and it is shameful to have remarks cast as to their birth when they are in the game.

Bill Van, the Elks second baseman, certainly "delivered the goods" last Saturday. That one hand catch was a pipkin.

Pat Gleason, since the sailing of Perrine, has acquired the name of Foxy Grandpa. Pat is entitled to the name, as there is not a more foxy player in the league than he. In the game with the Mailes two weeks ago he stole six bases and got three hits. Now this is going some.

Al Moore is the father of the league. He will soon celebrate his 40th birthday. Some are calling him the Grand Old Man.

Reuter had speed to burn Saturday. Bob White can testify to this statement.

If the Mailes retain their present streak of luck they will walk off with the championship. The Mailes have besides their luck a bunch that can hit some.

The Elks at the present time are playing the fastest ball in the league. Their team work is good and with Hampton in the box they are going to be a stumbling block to many an ambitious team.

It is a remarkable fact but true: The Punahou have taken but one game from the Kams in three seasons. The Kams certainly have the Indian sign on the college boys.

Even home plate took to sliding last Saturday. This should be looked after. If there was a new batter's box made after the first game batters would not be called out by getting out of bounds. Kim Fook's experience last Saturday should be a good object lesson to the ground keeper.

"Scissors" Cogswell may get his legs tangled on first but he manages to get everything that comes his way just the same.

Oahu College came out on top in the school league. This fast bunch of youngsters lost but one game this season. Most of their players are now in the Punahou line-up.

Bill Meyer and Young Wells will be seen in a Punahou uniform before long. Meyer will probably hold down third cushion, while Wells will go at short. This will strengthen the infield for the coits.

Here's a nugget from Philadelphia's mine of thought, dug by one Richter:

Doolin threw to Doolin,
And Doolin muffed the ball;
Was Doolin doin' Doolin
Or Doolin doin' Doolin?
That's all.

And that's enough, but here's a poem from the same source: "With Doolin, Doolin, Doolin, Doolin and Devil in all in one game, the scorers in the East have been guessing."

THE WINTER LEAGUE.

At the second meeting this year of the Winter Baseball League last night a lot of business was done. President James Williams occupied the chair. Charles J. Falk was elected as manager of the league for the season. On motion of Fred Lunning, seconded by Robert Roe, it was voted to admit the Aloha team into the league.

It was moved by J. A. Bento, seconded by Fred Lunning and carried, that notification be given to the Roads and Bridges and the Wideawakes that their respective applications for admission to the league had been tabled. Jas. Bento moved, Fred Lunning seconded and it carried, that the president appoint a committee of one representative from each team in the league to look over the by-laws and make amendments thereto if necessary, reporting their action at next meeting, and these were appointed: J. A. Bento, of the Makiki, F. Lunning of the Aalas, Robt. Roe of the Honolulu Iron Works, W. Raposo of the Pacifics, J. J. Dias of the Punahou and D. K. Kahaullelo of the Alohas.

Roe moved and Lunning seconded that the season open July 2, but an amendment moved by Raposo and seconded by Chas. Jones, to make it July 16, carried by 7 to 4.

Grounds are not yet selected. On motion of Dias, seconded by Jones, the league adjourned till Wednesday next.

BASEBALL BY Y. M. C. A.

Yesterday the Y. M. C. A. played baseball against the Excelsiors at the Boys' Field. The score was 19 to 19 in favor of the Y. M. C. A. The game was the first one ever played here by a Y. M. C. A. nine.

Tennis.

The championship tennis singles will be played this afternoon on the Pacific Tennis Courts at 4 o'clock between W. P. Roth and S. H. Derby.

Yesterday's games—the men's doubles—were played with the following results:

George Fuller and S. H. Derby won from M. F. Prosser and Chas. Rice, 3-5, 6-3, 6-1.

H. C. Carter and C. G. Bockus won from S. G. Wilder and John Waterhouse, 6-4, 6-3.

H. S. Gray and W. Warren won from E. Adams and Frank Atherton, 6-4, 6-4.

A. S. Griffiths and S. T. French won from George Hapai and J. Metcalf, by default.

The tournament will be continued in doubles on Friday, the first match between Derby-Fuller and Carter-Bockus, the second between Gray-Warren and Griffiths-French.

Tug-of-War.

One of the most novel athletic events that was ever pulled off will be seen on Saturday night at the tug-of-war tournament.

A full-fledged team of Chinese and Japs will test their strength on the rope. This will be a question of rice vs. chop suei.

Both teams have been practicing hard for some time and the pull is sure to be very spirited. The Chink team will have a slight advantage in weight but this will be offset by the Jap's endurance.

The other two pulls of the evening will be the Lumber Yard vs. Fifth District and the Kanikau vs. Roads and Bridges.

This latter pull is between two of the best teams in the league and should last some time.

New Records.

Two new world's records and sensational performances in nearly every one of the events marked the University of Pennsylvania's tenth annual relay carnival on Franklin Field, Philadelphia, on April 29.

In the four mile relay race for the championship of America, the University of Michigan won for the third time in succession, setting a new mark of 18 minutes, 25.3-5 seconds, an average of 4:36 for each mile. The second world mark to be bettered was in the discus throw, which again went to Michigan. Garrelis hurled the missile 135 feet, 1-2 inch. Although this beats the world's record it was not allowed to stand, because the judges detected some faulty construction in the discus which the Michigan man used.

The Ring.

Owen Moran, the English bantam, is after a match with Frankie Neil.

Battling Nelson will soon try conclusions with some of the boys in the East.

Gus Rubin has a challenge left in him yet, but it won't go any farther than a challenge.

Young Corbett has decided to return East, as his match with Hanlon has been declared off.

IT CURES NERVOUS MEN.
CURES BACK PAINS.
CURES STOMACH TROUBLES.

Dr. McLaughlin's Electric Belt is a popular remedy nowadays. It is the only remedy which will cure while you sleep. Just put it on when you go to bed, feel the warm, glowing vitality going into your weakened parts and restoring their life and vigor, and not a moment's inconvenience.

And you don't have to dose your poor stomach with nasty drugs. This shows what it does.

RHEUMATISM AND STOMACH CATARRH CURED.

DR. McLAUGHLIN—Dear Sir: One could not imagine the siege of suffering I passed through from stomach trouble and rheumatism. I was subjected to severe drug treatment, stomach pump treatment and diet treatment, without the least relief. I grew disgusted with them all, and as a last resort tried your belt two years ago. In three days I could fling away my cane and in three months was a new man, entirely cured, and felt better than I had for years. Several of my friends have since purchased your belts. I would not part with mine for \$1000 if I could not get another. Yours truly,

JOHN B. GUAY, Tomales, Marin Co., Cal.

feated Kid Steher, of Cincinnati, in four rounds recently.

Gus Gardiner and Kid Coffey fought a ten-round draw at Mount Clemens, Mich., recently.

Jack (Twin) Sullivan and Harry Krant have left for Dawson, and they expect to clean up the pug in the Arctic Circle. Twin is matched with Nick Burley and Krant is scheduled to meet Fred Wyatt.

Rufe Turner, the 'Frisco lightweight, who polished off all the Philadelphia boxers, has returned to the Coast. Mike Schreck, since he defeated George Gardiner, has received tempting offers to appear on the Pacific Coast.

San Francisco sporting men have proposed a benefit for Young Corbett, but the popular Denveite would not have it.

George Cole, the colored boxer of Philadelphia, bested Ben Trimble of California, in the Quaker City recently.

What a bunch of pugilists will apply for reinstatement to the A. A. U. if the Governor signs his name to the Frawley bill.

Bob Fitzsimmons is reported to have agreed to fight Mike Schreck, of Cincinnati. The match will probably come off in California.

Marvin Hart says he will never fight another colored man. Johnson has been saying some sassy things about the Louisville idol.

Young Peter Jackson wants to fight Jack Johnson, and says he will bet \$1,000 the big California colored man can't stop him in twelve rounds.

The acting of James J. Jeffries, in the role of "Davy Crockett," does not enthrall the gallery boys as much as his three rounds with Jim Kennedy.

JOHN L. HOWARD.

"Brace up" your system.

Everybody's system at times needs "bracing up."

The only true way to "brace up" or in plainer words to get back to real health is to get right at the real cause—your tired nerves—and attend to them.

When you feel tired most of the time, and yet don't sleep well.

When you don't care whether you eat or not.

When you are blue—have headaches, feel all "run down"—that is when your nerves are tired out and need "bracing up."

One bottle of Paine's Celery Compound will brace you up quicker than any treatment in the world, and it braces you up in the right way.

It gets at the real cause and feeds new power to your tired nerves. It restores the nerves to healthy, vigorous action, then they do their work in the right way and stop bothering you.

For 17 years Paine's Celery Compound has been the most universally used nerve vitalizer and tonic in the world. For 17 years—think of this fact and realize what it means.

John L. Howard, of Malden, Massachusetts, tells of his experience with tired-out nerves that indicated their condition through indigestion and biliousness.

MALDEN, Mass., March 3, 1904.—"I take pleasure in recommending Paine's Celery Compound to any one that may be troubled with indigestion and biliousness, or, in fact, any stomach or bowel trouble, as I consider it the best remedy of the kind in the market at the present time."

"I have made a practice for the last five years of using from one to two bottles every spring and fall as a first-class bracing-up tonic, regulating, in fact, the whole system. Yours most respectfully, John L. Howard, 71 Pleasant St., Councilman, 3d Ward."

When you are sick in some part of your body it is because some organ is not doing its work. That is because THE NERVES ARE NOT STRONG ENOUGH to keep that organ up to its work.

The better the inner nerve force the better all the organs can work and give perfect health.

Paine's Celery Compound feeds the nerves—restores them to their strength—gives them new power to send vitality and health to every part of your body, new courage to your heart, new animation to your brain.

Remember this—Paine's Celery Compound is the prescription of one of the most famous physicians this country has ever known, Prof. E. E. Phelps, of Dartmouth University.

All reputable druggists recommend and sell Paine's Celery Compound.
